## ANNUAL CONFERENCE

February 26, 2007

Memorandum To: All Representatives of Member Institutions

Re: Institute's Annual Washington Conference on March 4 - 6, 2007

As a final reminder, the Institute's Annual Washington Conference will be held at the Four Seasons Hotel (2800 Pennsylvania Avenue, N.W.), beginning on Sunday evening, March 4<sup>th</sup> and ending at noon on Tuesday, March 6<sup>th</sup>. We have an outstanding roster of U.S. and international governmental and private-sector speakers and urge all member institutions to be well represented. ([Click here](#) to see the detailed program.)

**The conference is the one time of year when we collectively project the Institute and our members to the Washington community in connection with the many issues affecting bottom-line results of internationally headquartered financial institutions operating in the United States. In addition to this critical importance to our government relations efforts, the conference provides an excellent opportunity for representatives of our member institutions from the U.S. and head offices as well as representatives of banking associations from around the world to meet informally and exchange views on key business and financial services developments.**

If you have not already done so, kindly return the attached reservation form and payment at your earliest convenience but no later than Wednesday, February 28<sup>th</sup> (an on-line registration form with credit-card payment option is also available on the Institute's web site at [www.iib.org](http://www.iib.org)).

Please contact the Institute if you need further information or assistance.
